

PLANNING A NEW INVESTMENT?

Secure income tax exemption

Your investment in the heart of South-Eastern Poland with maximum support and expert guidance.

EURO-PARK MIELEC SEZ is Poland's first special economic zone, managed by the Industrial Development Agency (ARP S.A.), supporting investors in delivering industrial and service projects for over 30 years.

The Polish Investment Zone is a programme enabling income tax exemptions (CIT/PIT).

Under the Polish Investment Zone (PIZ) scheme

	income tax exemption (CIT/PIT) of up to 70% of investment value		
	support period of up to 15 years		one of the highest levels of public support in Europe for SMEs and large enterprises
	access to fully prepared investment sites and infrastructure		comprehensive investor support

Site advantages - EURO-PARK MIELEC SEZ - Prime strategic position

	access to the A4 motorway		access to air transport (Rzeszów-Jasionka, Lublin)
	access to the Via Carpatia route (S19)		access to rail transport (national and international connections, including the LHS line providing access to Eastern markets and Asia)

Investment opportunity

	Greenfield - fully serviced land		Brownfield - existing industrial facilities
	Build-to-suit (BTS) - turnkey facilities		Industrial halls, warehouses and office space for lease
	Financial instruments offered by ARP S.A.		Entire Poland as an investment zone

Strong industrial base

- developed aviation sector – Aviation Valley cluster
- highly developed industries: automotive, metal, electronics, food processing, plastics and new technologies

Investment ecosystem

- technology parks and business incubators
- vocational schools, technical colleges, universities and sector skills centres (BCU)
